# Surface Finishing and Repair Issues for Sustaining New Military Aircraft

Keith Legg  
Rowan Technology Group  
Libertyville, IL

# WELCOME!

- ❑ January 2007 – 27<sup>th</sup> HCAT meeting in New Orleans
- ❑ This meeting is the first Son-of-HCAT workshop
  - Bruce will explain
- ❑ Ground rules same as HCAT
  - **Not a seminar!**
  - Purpose is to generate discussion and address issues
  - Interrupt speakers with questions/comments
  - Buttonhole people at breaks
  - All briefings will be available on the website

# New teaming and data website structure Same old address – [www.materialoptions.com](http://www.materialoptions.com)
